01 / VISUAL DIRECTION

Signature

Familiar by design.

A clean, confident extension of the Casen Doors website. A generous kitchen photograph sits beside a clear, guided selection panel.

01 White and black

02 Clear product-page layout

COLOUR DIRECTION

White

Black

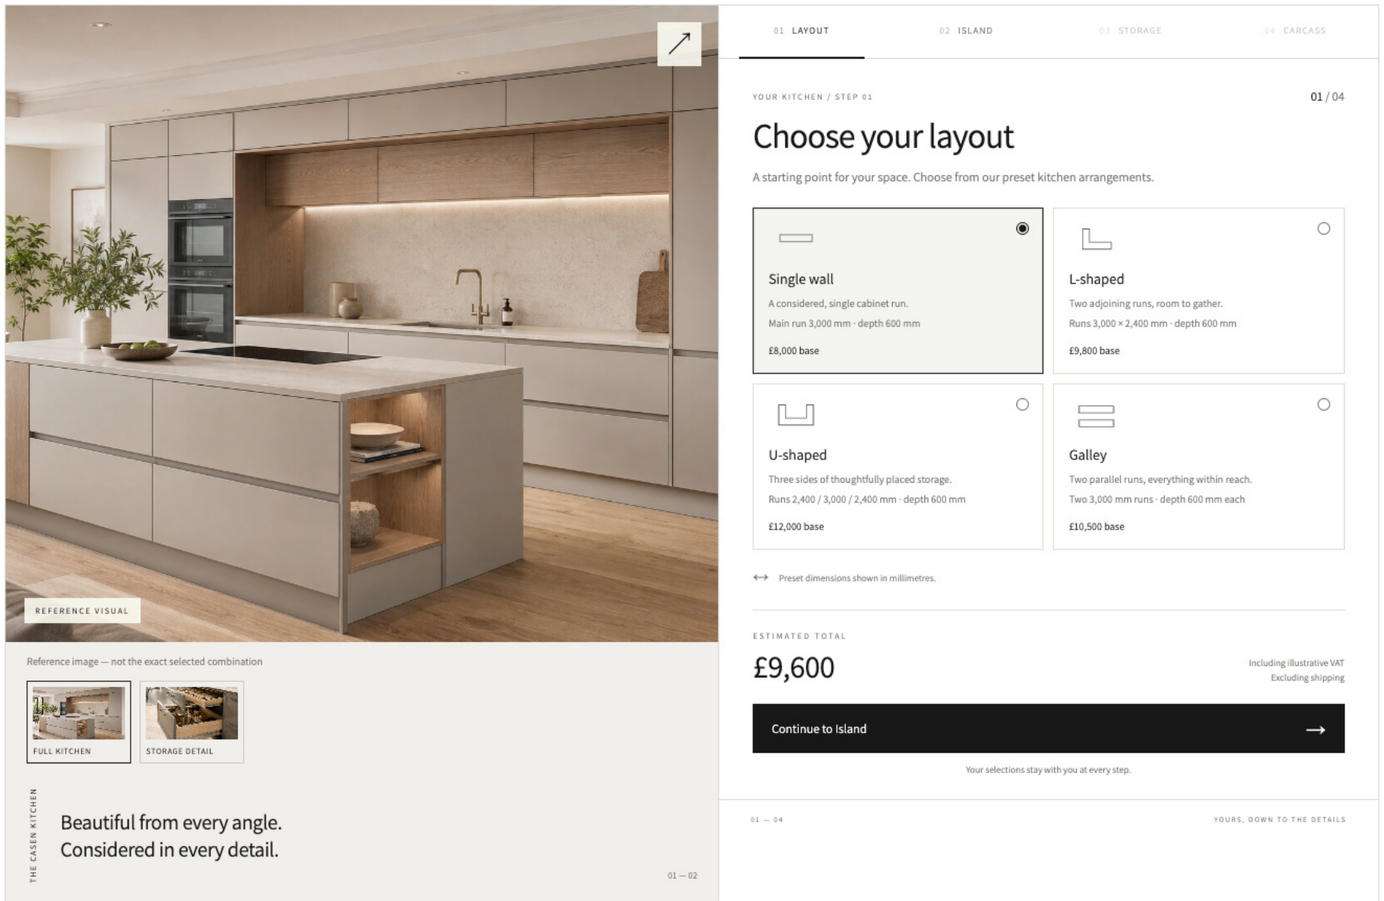

Warm grey

Reference kitchen photography. Shown for visual direction, not as an exact selected configuration.

A familiar way to configure.

The photograph and the configuration controls share one view, with a simple left-to-right reading order.

Desktop concept. Prices, dimensions and VAT shown in the interface are illustrative.

COMPOSITION

A large image on the left. Four configuration stages on the right. The estimated total sits close to the next action.

TYPOGRAPHY

Assistant sans-serif headings and straightforward labels echo the existing Casen Doors storefront.

VISUAL CHARACTER

White space, fine dividers and black buttons create a restrained, recognisable shopping experience.

The same clarity, on mobile.

The photograph moves above the controls. The same four stages remain easy to follow on a narrower screen.
