03 / VISUAL DIRECTION

Studio

Designed around you.

An immersive, high-contrast direction. A dark canvas frames the kitchen imagery, while compact controls and warm accents guide the choices.

01 Immersive dark canvas

02 Large image and compact controls

03 Warm, contrasting accents

COLOUR DIRECTION

Graphite

Warm sand

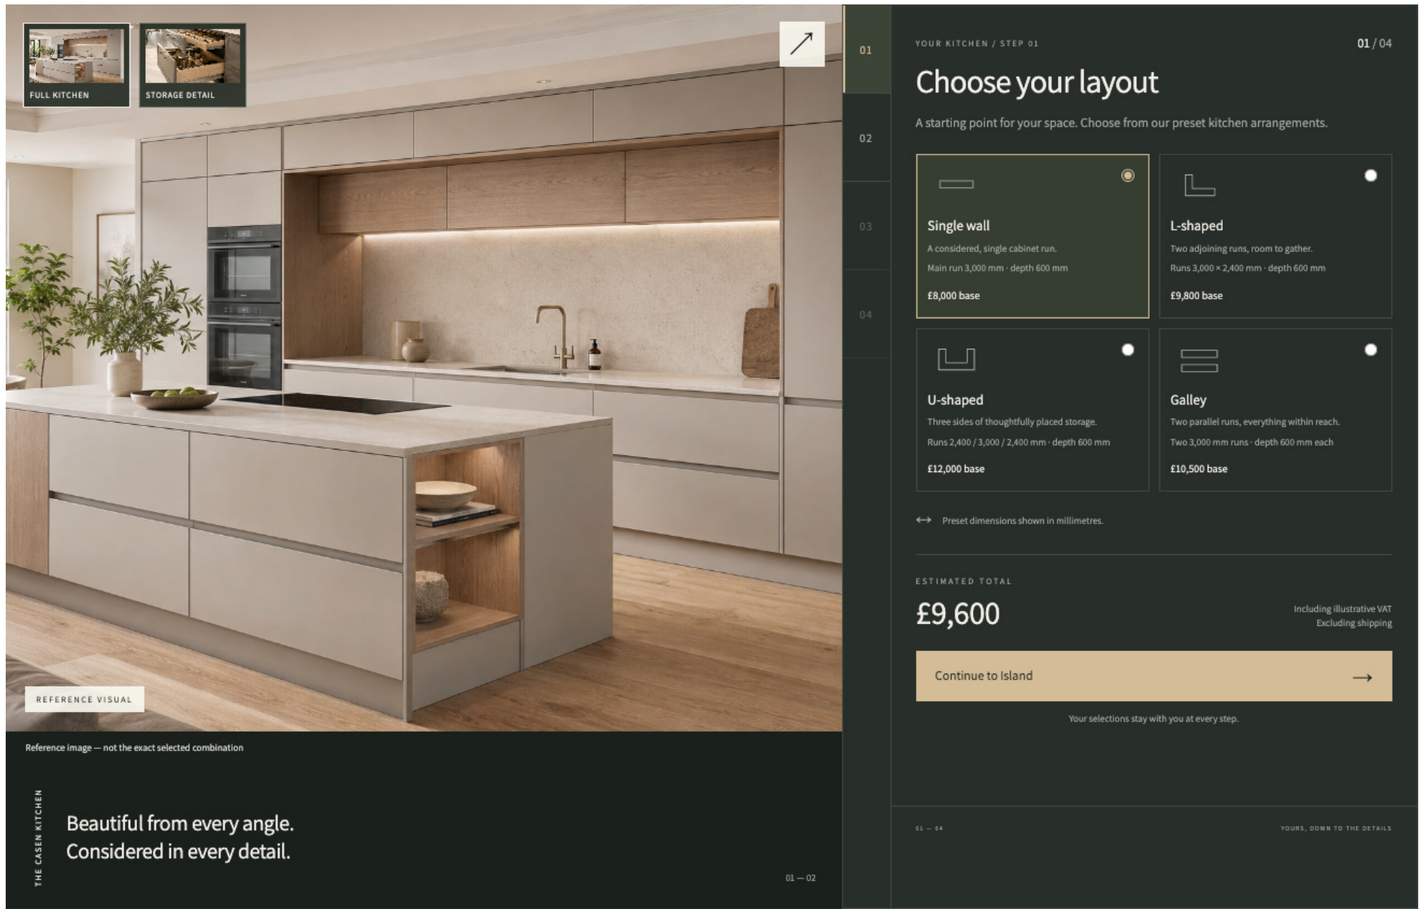

Soft white

Reference kitchen photography. Shown for visual direction, not as an exact selected configuration.

An immersive design studio.

The kitchen image takes more space. A compact panel and numbered vertical rail frame the configuration journey.

Desktop concept. Prices, dimensions and VAT shown in the interface are illustrative.

COMPOSITION

An expansive image on the left and a compact panel on the right. A vertical rail marks the four stages on desktop.

TYPOGRAPHY

Expressive serif headlines introduce the collection. Sans-serif controls keep the interactive panel clear.

VISUAL CHARACTER

Graphite surfaces and warm sand accents emphasise the photograph, selected options and primary action.

A compact studio in your hand.

The dark palette carries through to mobile. The vertical desktop rail becomes a horizontal step navigation.

REFERENCE DETAIL PHOTOGRAPHY

A CONSISTENT JOURNEY

01 **Choose a layout**

A clear starting point with preset dimensions.

02 **Consider an island**

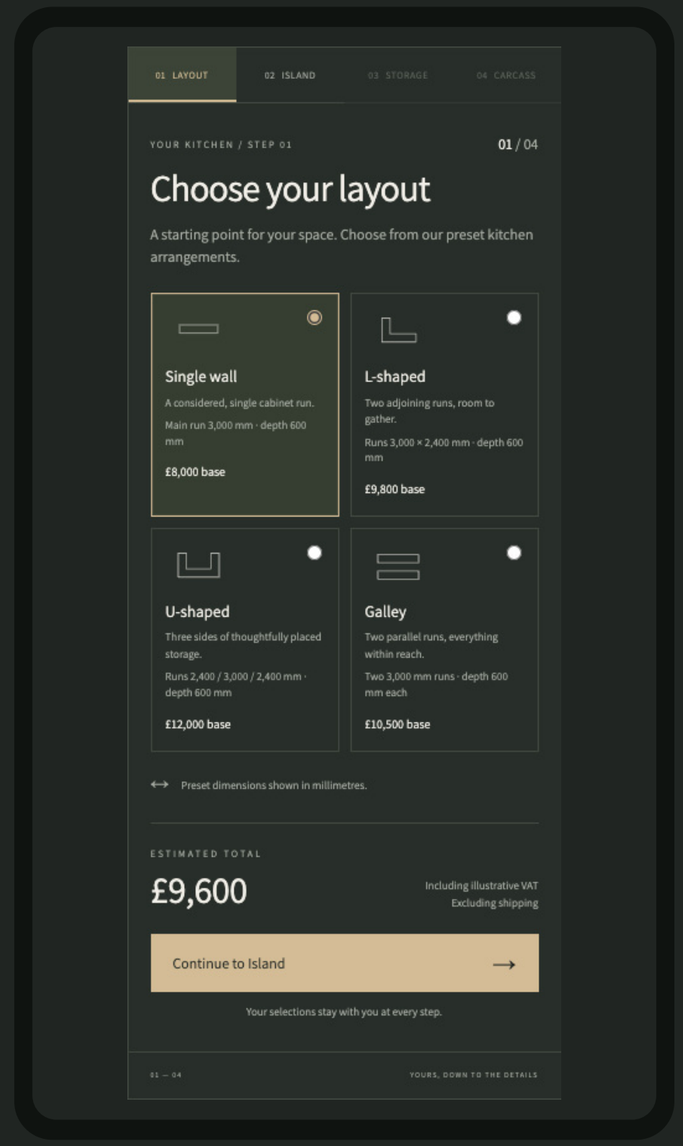

Add an island or keep the centre open.

03 **Select your storage**

Choose useful additions for everyday routines.

04 **Finish and review**

Choose the carcass finish and view a quotation.

MOBILE CONFIGURATION

Why choose this direction?

Choose Studio if the aim is a more immersive, distinct presentation, with the kitchen imagery framed by a darker visual environment.

CLIENT REVIEW FOCUS

Confirm the dark palette, warm accent and more compact configuration panel.
